

SCS Fall Meeting 2020

We invite you to attend the SCS Fall Meeting 2020, one of the largest annual research conferences held in Switzerland. For the first time, the Fall Meeting takes place as an *online conference* to meet the regulations and to facilitate safe exchange of scientific information among all participants.

For generations of young chemists educated in Switzerland, the Fall Meeting has been a great platform to present their research to a broader audience, and to be inspired by the people you meet at the meeting.

Program Highlights

- SCS prize winners award lectures
- Keynote lectures and student oral presentations
- Interactive poster session open all week
- Virtual Commercial Exhibition
- Best presenter award ceremony

Conference Topics

- Analytical Sciences
- Catalysis Science & Engineering
- Chemistry and the Environment
- Computational Chemistry
- Inorganic & Coordination Chemistry
- Medicinal Chemistry & Chemical Biology
- Organic Chemistry
